

## **Multimedia News Release - Companies From Around the World Gather to Discuss The Future of Technology**

March 9, 2004

CHICAGO, Mar 9, 2004 /PRNewswire via COMTEX/ -- The biggest design manufacturing show of the year takes place during National Manufacturing Week, February 23rd through February 26th, 2004. The show, a culmination of six manufacturing shows, gives engineers, designers and manufacturers the opportunity to interact and discuss the latest technologies.
