

Autodesk Settles German Copyright Infringement Case

March 12, 2009

Infringer Must Pay Damages and Cease Production and Distribution

SAN RAFAEL, Calif., March 12 /PRNewswire-FirstCall/ -- The Munich Regional Court in Germany approved an agreement that settles a lawsuit initiated by Autodesk, Inc. against Torsten Moses for copyright infringement of its flagship product, AutoCAD. It is now established that Moses' LT Extender application, which interacts with and modifies AutoCAD LT, infringed Autodesk copyrights. Moses has agreed to pay damages to Autodesk and to cease producing and/or distributing the application worldwide.

About Autodesk

Autodesk, Inc., is a world leader in 2D and 3D design software for the manufacturing, building and construction, and media and entertainment markets. Since its introduction of AutoCAD software in 1982, Autodesk has developed the broadest portfolio of state-of-the-art Digital Prototyping solutions to help customers experience their ideas before they are real. Fortune 1000 companies rely on Autodesk for the tools to visualize, simulate and analyze real-world performance early in the design process to save time and money, enhance quality and foster innovation. For additional information about Autodesk, visit www.autodesk.com.

Autodesk, AutoCAD, and AutoCAD LT are registered trademarks or trademarks of Autodesk, Inc., and/or its subsidiaries and/or affiliates in the USA and/or other countries. All other brand names, product names, or trademarks belong to their respective holders. Autodesk reserves the right to alter product offerings and specifications at any time without notice, and is not responsible for typographical or graphical errors that may appear in this document.
