Autodesk Platinum Club Recognizes Outstanding Partners for Fiscal Year 2010

March 2, 2010

Companies Deliver Top Performance Among More Than 500 Value-Added Resellers in the Americas

SAN RAFAEL, Calif., Mar 02, 2010 (BUSINESS WIRE) -- At its annual global channel partner event, One Team Conference (OTC), Autodesk, Inc. (NASDAQ:ADSK), inducted 11 Value Added Resellers (VARs) and Value Added Distributors (VADs) into the Autodesk Platinum Club 2010. These companies have demonstrated strong sales performance and commitment to customer service in fiscal year 2010.

"We congratulate our Platinum Club inductees for consistently performing at a high level and exceeding expectations during these challenging times," said Steve Blum, senior vice president of Americas Sales, Autodesk. "These partners continue to deliver world-class service and technical expertise, ensuring their customers have the solutions that will help them to be more efficient, more competitive and more innovative."

Autodesk Platinum Club members include channel partners who have excelled in sales, growth and other key measures. The Platinum Club also includes channel partners who were the leading commercial education, government or distribution partners in their Americas sales region.

About Autodesk

Autodesk, Inc., is a world leader in 2D and 3D design, engineering and entertainment software for the manufacturing, building and construction, and media and entertainment markets. Since its introduction of AutoCAD software in 1982, Autodesk continues to develop the broadest portfolio of state-of-the-art software to help customers experience their ideas digitally before they are built. Fortune 100 companies -- as well as the last 14 Academy Award winners for Best Visual Effects -- use Autodesk software tools to design, visualize and simulate their ideas to save time and money, enhance quality and foster innovation for competitive advantage.
