PROJECTS

A360

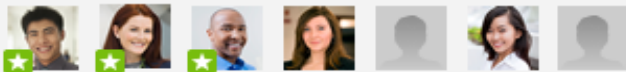

MY PROJECTS | PINNED | ALL | ACTIVE | NEW | SUGGESTED

Car Chassis

The new mid-power chassis design we will use for all of our 2014 Fall Season premium models.

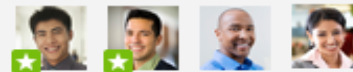

23 More >

18 20 44

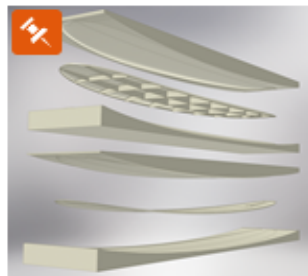

Gemini Timepiece

We will take a limited number of these to market with a custom, Gemini RC Cars branded face design.

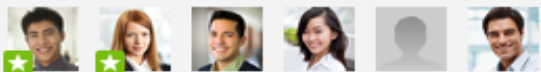

18 20 44

Surf board

This is where our vendor will post the designs and documents for the 2014 vanity surf board.

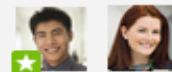

18 20 44

Body Models, 2014 Line

Body designs and manufacturing specifications for our 2014 line of premium RC Cars.

18 20 44

Factory Retrofit

Our factory retrofit requires an update to the Zendo arm design we had been using. This project is where we collaborate with Zendo and our Asset Managers in Guangzhou on the updated design.

18 20 44

EMEA Marketing Launch

We are taking Gemini RC Cars to the EMEA market! This is where sales and marketing can collaborate on launch materials.

**“My initial impression is - WOW,
this looks slick!”**

**“This site is a breath of fresh air for
collaboration between team members
and open discussions. Something we
could never quite achieve using
SharePoint.”**

**“Everyone on my team loves it! I am
using it to share our custom machine
design and build orders with everyone
that needs the info...”**
